

STREAMER S270E75R

The STREAMER S270E75R from IMPACTS is a very compact and powerful mobile blast machine. It is used to blast medium size horizontal floors. It also can be used as an edging machine. In order to reach an optimal blasting performance, it is recommended to use the STREAMERS S270E75R together with the IMPACTS dust collector DUSTCOM 3003GP.

FEATURES

- § Extreme manoeuvrable.
- § Very good dust separation.
- § Strong drive motor
- § Optimized weight.
- § Height adjustable handle with integrated handling instruments.
- § Usable as edging machine.
