

GRINDER FG500M

The IMPACTS grinding machine FG500M is an extremely robust two-disc grinding machine. The consistent further development of our successful FG250.

The machine is equipped with the tried and tested "CLICKANGO" quick-change tool system. This enables not only a simple tool change, but also variable grinding pressure due to the different number of diamond segments.

Of course, with an integrated connection option for dust extraction.

FEATURES

- Robust and compact design.
- "CLICKANGO" quick tool change system.
- Easy handling.
- Efficient dust extraction.

SPECIFICATION
