

STREAMER S210E40R

The STREAMER S210E40R from IMPACTS is a very powerful, but compact and light weight mobile blast machine. The combination of the powerful wheel motor with an optimized separation system and the variable speed drive motor makes the machine very efficient. The machine has been specially developed to achieve a high blasting performance on small and medium areas. The machine is very easy to handle.

In order to reach the optimal blasting capacity and performance, it is recommended to use the STREAMER S210E40R together with the IMPACTS dust collector DUSTCOM 3003.
